

2017 Happy Valley/North Clackamas Coin Challenge

Code Sheet / Redemption Form

Welcome cachers to the 2017 Happy Valley/North Clackamas Coin Challenge brought to you by Oregon's Mt. Hood Territory. Thanks to AmyGems for setting up another great challenge and for designing such a cool coin. And it's available in two metal colors - black nickel or antique copper! We've minted a total of 400 coins; 200 of each color.

Cache on!

Instructions:

1. Locate the coin challenge caches.
2. Log the caches.
3. Write the code word found in each cache container next to the corresponding GC#
4. In the event that a cache is missing, or you are unable to physically access a cache, up to three (3) non-challenge local area caches may be substituted. Write the GC # of the substitute cache(s) in place of the codeword.
5. After you've completed the challenge fill out the information below and redeem to claim your coin.
