

WOMEN IN LEADERSHIP AND MANAGEMENT ACADEMY

"The Women in Leadership and Management Academy was not only an extremely enriching experience, but it was one of the best workshops I've attended. The WILMA instructors were extremely knowledgeable and dynamic. What I found the most beneficial, was getting the opportunity to go through this program with a group of women from different industries and backgrounds."

— Jennifer Del Rosso, Pacific Seafood

The Women in Leadership and Management Academy provides leaders and emerging leaders with the opportunity to learn and practice interpersonal skills they will use every day. It combines classroom, skill practice at work and the support of a workplace mentor.

Over the last 10 years, hundreds of employees have completed the Leadership Academy from Clackamas Community College. They have gone on to make significant contributions to their organizations, with many experiencing personal and professional growth.

Cost

6 sessions over 6 months \$ 675

"It helped me understand the importance of developing team members for the organization's success."

— Student

How is the training delivered?

Academy participants will attend six training sessions, with the morning devoted to interactive leadership sessions and the afternoon to mentoring and community involvement.
