### Women in Leadership & Management Academy

The Women in Leadership and Management Academy provides leaders and emerging leaders with the opportunity to learn and practice interpersonal skills they will use every day. It combines classroom and skills practice at work, along with the support of a workplace mentor.

Over the last 10 years, hundreds of employees have completed the Leadership Academy from Clackamas Community College. They have gone on to make significant contributions to their organizations, with many experiencing personal and professional growth.

Academy participants will attend six training sessions, with the morning devoted to interactive leadership sessions and the afternoon engaging with mentors.

This year, the program begins January 16, 2020 and ends June 18, 2020. One day per month. More information and registration details at [www.yourchamber.com](http://www.yourchamber.com)

### Curriculum Includes:

- Communicating for Leadership Success
- Making the Most of Workplace Differences
- Courageous Conversations
- Coaching for Peak Performance
- Setting Goals and Reviewing Results
- Delegating With Purpose
