

ADVANCED Women in Leadership & Management Academy

ARE YOU READY FOR YOUR NEXT STEP?

This interactive workshop will build upon the Women In Leadership & Management Academy (WILMA) program with additional leadership topics and application practice designed for leading individuals in business/industry/organizational settings. Students will learn the difference between the roles of individual contributors and leaders of individuals. An emphasis will be given to application of newly acquired leadership skills to current workplace environments. **It is a pre-requisite of this class to have taken the first WILMA Academy.**

Advanced WILMA includes:

1. Review of Key Concepts of WILMA (4.5 hour)
2. Trust and Teams (4.5 hours)
3. HR Management for Leaders (4.5 hours)
4. Strategic Change Management (4.5 hours)
5. Capstone Project Presentations (4.5 hours)

Full class descriptions can be found at yourchamber.com

Each class will consist of in-person or virtual instructional hours:
