

BUSINESS after HOURS

An After-Hours event is a great way to showcase your business to members that might not always be able to make it to morning events.

Here are some tips on how to make it a success!

- After-Hours events are typically held “open-house style” from 5 to 7 pm and can be any day of the work week
- Host has 5 minutes to present on whatever topic they wish
- Host will provide snacks and beverages of their choosing (Chamber can provide catering ideas if needed)
- Host is encouraged to have a few door prizes to engage the group (host will get to keep the business cards that are collected)
- Host should also invite associates, clients, neighboring businesses, friends and family to ensure a great turnout
- Plenty of parking should be available around your place of business

Chamber will list your event on our calendar, announce it at other events, include it in the weekly newsletter and promote through social media

CHEERS!
